

Hook Brainstorming page

Hook Ideas!

Capture Attention.

Write Better Hooks.

Stand Out.

This worksheet helps creators generate engaging hooks for posts, videos, or emails that attract attention and increase audience engagement. It's simple, practical, and gives a preview of the full system.

Define Your Content

What's the purpose of this content? (Educate / Inspire / Entertain / Promote)

Which audience segment is this for?

A clear goal makes hooks more targeted and effective!

Hook Ideas

Use these prompts to spark ideas for attention-grabbing openings:

<i>Prompt</i>	<i>Example Ideas</i>	<i>Notes</i>
<i>Start with a question</i>		
<i>Highlight a problem</i>		
<i>Share a surprising fact</i>		
<i>Use a bold statement</i>		
<i>Promise a solution</i>		

Don't overthink — the goal is quantity first. Refine later.

General Ideas (Your Notes)

Hook Testing & Selection

Pick 2–3 hooks that feel most aligned with your content goal

Test in captions, stories, or emails (ofc depends on the type of hook)

Track engagement and audience response

Incorporate my comprehensive guides into your organization, and receive assistance with your personal brand, advanced strategies, detailed timelines, content plans, and post-launch reflections to enhance your results!
